38th Annual Report

In presenting its Report for 1935, the Committee begs to submit various statements of account, explaining the sources from which income is derived and how it is spent, together with other items of interest.

At the beginning of the year we started off with a debt of £706 15s. 2d., which is now reduced to £449 13s. 2d. This improved condition is mainly due to special efforts on the part of the Ladies' Committee and friends, such as the Village Fair at the Hospital, the Summer Ball and Bridge Drive organised by Mrs. G. Marwood and Mrs. E. Willis, the Christmas Ball arranged by Miss J. Harrowing and a small Committee; and a substantial increase in the amount received from patients.

Amongst the Annual Fixtures we have our Hospital Saturday in Whitby and District, with stallholders and collectors numbering over 100; Egg Day Collections held during Easter week-end, when some 14,000 eggs were handed in to the Hospital; and another useful contribution is that derived from Pound Day in December, when all kinds of useful gifts and donations are sent in. Year by year the interest in our Hospital continues to spread. Nearly every village in the district has its annual Church Collection, Whist Drive, Entertainment or Dance.

The Hospital is supported in a truly wonderful way by Annual Subscriptions, Church Collections, Employees' Contributions, the Hospital Football Cup Competition, and the Charities Show.

The Committee warmly thanks the Matron and Nursing Staff for the excellent services rendered by them, and congratulates the Matron (Miss Bowker) on the successes of her probationers who have passed examinations as a result of her training.

Members of the St. John Ambulance Brigade have again rendered invaluable service. They are ever ready to respond to a call to convey patients either to or from the Hospital, by night or day, and the Committee sincerely expresses its sense of appreciation and thanks for this voluntary service.

The unstinted manner in which the Hon. Medical Staff and Hon. Consultants give of their time and skill for the benefit of the patients is worthy of the highest praise and gratitude. It would be impossible to find a Cottage Hospital more efficiently served in this direction, and the Committee gratefully expresses its thanks and deep appreciation.

Members of the Ladies' Committee visit the wards weekly, check accounts at their monthly meetings, and tackle the great problem of raising funds, with excellent results. The Committee of Management is indeed grateful to the Ladies' Committee.

The work accomplished by the Linen League, with Mrs. E. Baines as Hon. Secretary, relieves the Hospital of a considerable amount of expense, and the Committee has to pay its tribute of thanks to the collectors and subscribers, who once again have served the League so well.

The Committee desires to acknowledge with thanks the work of the Hon. Auditor, Mr. Charles Wright, A.C.A., and the Hon. Treasurer, Mr. E. Frankland.

The Committee deeply regrets to record the deaths of the following subscribers:—Mr. Thomas Warters and Mr. G. E. Barry, who were both Trustees; Mr. J. Duck, Mrs. J. Hutchinson, Mr. G. A. Macmillan, and Lady Trotter.

A legacy from Miss Mary P. Hutton, of Thorpe Hall, Robin Hood's Bay, of £500 has been received and invested.

Present Requirements: The Committee will be most grateful to any kind person who will either present or help to raise funds to defray the cost of a modern Kitchen Range —the present one is worn out; a Portable X-Ray Set;

Apparatus for administering Anæsthetics; Flagstaff and Fittings.

On the whole, the Report is similar to those of recent years, and it is hoped that those awaiting its publication may feel gratified and encouraged by the successful year's work.

In conclusion, the Committee expresses its gratitude and sincere thanks to all who have in any way contributed to the support of the Hospital, and earnestly appeals for a further continuance of public interest in order that the increased demands made upon it may be adequately met.

FORM OF BEQUEST.

The following form of bequest is suggested for the guidance of those who may wish to aid the Charity by Will.

“ I bequeath to the Treasurer for the time being of the Whitby and District War Memorial Cottage Hospital the sum of £ free and clear of legacy succession and estate duty, and of all other deductions, for the general purpose thereof, to be paid within calendar months next after my death without interest. And I declare that the receipt of the Treasurer for the time being of the said Institution shall be an effectual discharge for the said legacy, and that such receipt shall effectually exonerate the Trustees or Trustee for the time being of my Will from seeing to the application thereof.”

Or in the alternative if Testator prefers an Endowment.

“ I bequeath to the Treasurer for the time being of the Whitby and District War Memorial Cottage Hospital the sum of £ free and clear of legacy succession and estate duty, and of all other deductions, to be paid within calendar months next after my death without interest, and to be invested on permanent security, and the income of the investments to be applied by the Management Committee for the time being of the said Institution annually, and not by way of anticipation to the general purposes of the said Institution in such manner as the said Committee for the time being of the said Institution may deem expedient. And I declare that the receipt of the Treasurer for the time being of the said Institution shall be an effectual discharge for the said legacy, and that such receipt shall effectually exonerate the Trustees or Trustee for the time being of my Will from seeing to the application thereof.”
